(Aug. 23, 1935, ch. 623, § 18, 49 Stat. 735.)

§ 511r. Imported tobacco

(a) Inspection for grade and quality; exception

Notwithstanding any other provision of law—

(1) All tobacco offered for importation into the United States, except tobacco described in paragraph (2), shall be inspected, insofar as practicable, for grade and quality as tobacco marketed through a warehouse in the United States is inspected for grade and quality.

(2) Cigar tobacco and oriental tobacco (both as provided for in chapter 24 of the Harmonized Tariff Schedule of the United States) offered for importation into the United States shall be accompanied by a certification by the importer, in such form as the Secretary of Agriculture may prescribe, stating the kind and type of such tobacco, and, in the case of cigar tobacco, that such tobacco will be used solely in the manufacture or production of cigars.

(b) Establishment of grade and quality standards

The Secretary of Agriculture shall establish grade and quality standards for the purposes of subsection (a)(1) of this section that are, insofar as practicable, the same as those applicable to tobacco marketed through a warehouse in the United States.

(c) Certification necessary for excepted tobacco; false statements

Any tobacco described in subsection (a)(2) of this section that is not accompanied by the certification required by that subsection shall not be permitted entry into the United States. The

provisions of section 1001 of title 18 shall be applicable with respect to any certification made by an importer under such subsection.

(d) Place of inspection; fees and charges

The Secretary of Agriculture shall enforce the provisions of subsection (a) of this section at the point of entry of tobacco offered for importation into the United States. The Secretary shall by regulation fix and collect from the importer fees and charges for inspection under subsection (a)(1) and subsection (e) of this section which shall, as nearly as practicable, cover the costs of such services, including the administrative and supervisory costs customarily included by the Secretary in user fee calculations, and which shall be comparable to fees and charges fixed and collected for services provided in connection with tobacco produced in the United States. The fees and charges, when collected, shall be credited to the current appropriation account that incurs the cost and shall be available without fiscal year limitation to pay the expenses of the Secretary incident to providing services under subsection (a)(1) of this section, subsection (e) of this section, and subsection (f) of this section. Any fees collected, late payment penalties, and interest earned shall be credited to the account referred to in this section and may be invested by the Secretary of Agriculture in insured or fully-collateralized interest-bearing accounts or, at the discretion of the Secretary of Agriculture, by the Secretary of the Treasury in United States Government debt instruments. Fees and charges, including late payment penalties, and interest earned from the investment of such funds shall be credited to the account referred to in this section.

(e) Tobacco pesticide residues; certification, etc., requirements

Notwithstanding any other provision of law:

(1)(A) All flue-cured or burley tobacco offered for importation into the United States shall be accompanied by a certification by the importer, in such form as the Secretary of Agriculture shall prescribe, that the tobacco does not contain any prohibited residue of any pesticide that has been cancelled, suspended, revoked, or otherwise prohibited under the Federal Insecticide, Fungicide, and Rodenticide Act [7 U.S.C. 136 et seq.]. Any flue-cured or burley tobacco that is not accompanied by such certification shall be inspected by the Secretary at the point of entry to determine whether that tobacco meets the pesticide residue requirements. (B) Any tobacco that is determined by the Secretary not to meet the pesticide residue requirements shall not be permitted entry into the United States.
